Director of Intelligence, GSUSA
The Pentagon
Washington, D.C.

Dear Red:

My boys are complaining to me that they see your transcripts of Telecon Conferences with theatre intelligence officers only on a hit or miss basis - mostly miss, and always too late to be of current value.

Could you not look into the matter and arrange for us to get them regularly and promptly?

Sincerely,

1949 & Hand carried by A7000.
